

“Technology has helped me go to different websites, online learning with the help of my mum. In my education, technology has help me to improve.” - Jason, 7 years old

‘Drawing from online’ Jason

‘Computer Computer’ Jason

“Sometime is fun to use online learning a lot is online to learn if you see

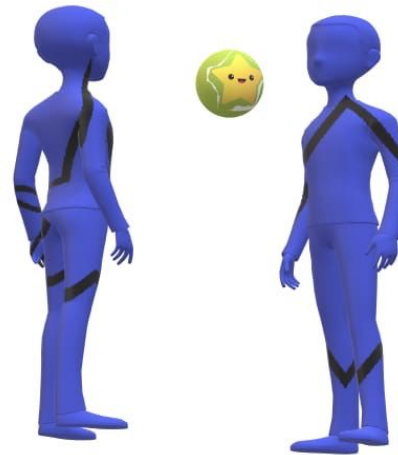

someone to put you through.”- Jason, 7 years old

What is difficult about being online? Dawit, 6 years old (below)

Work

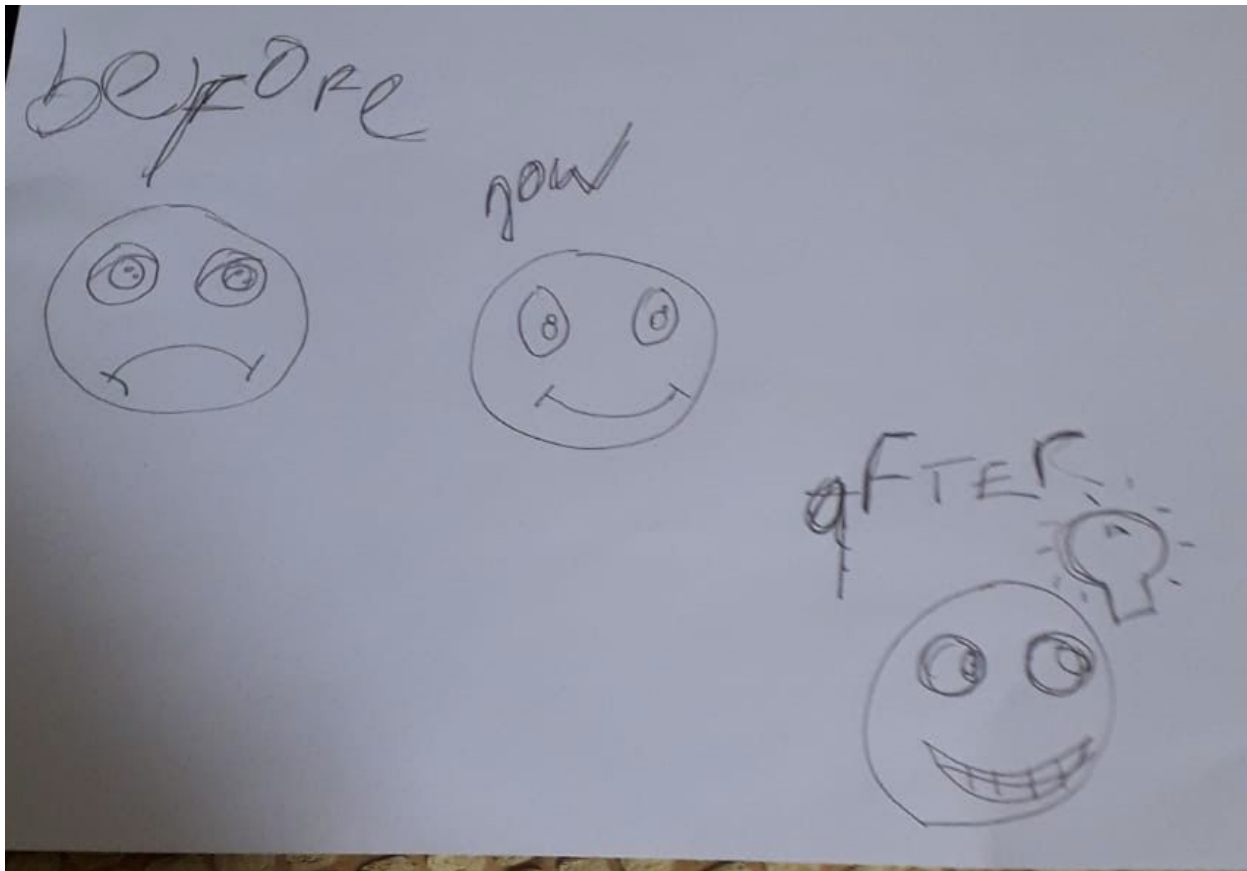

I don't like when

things wait to load

“Learning online has change my life than before doing this lockdown am more to online learning than classroom with teachers and my classmate but now is me, my mum time, forget to play when I have lot of online work to do.” - Jason, 7 years old

‘How do you feel now you are online compared to before?’

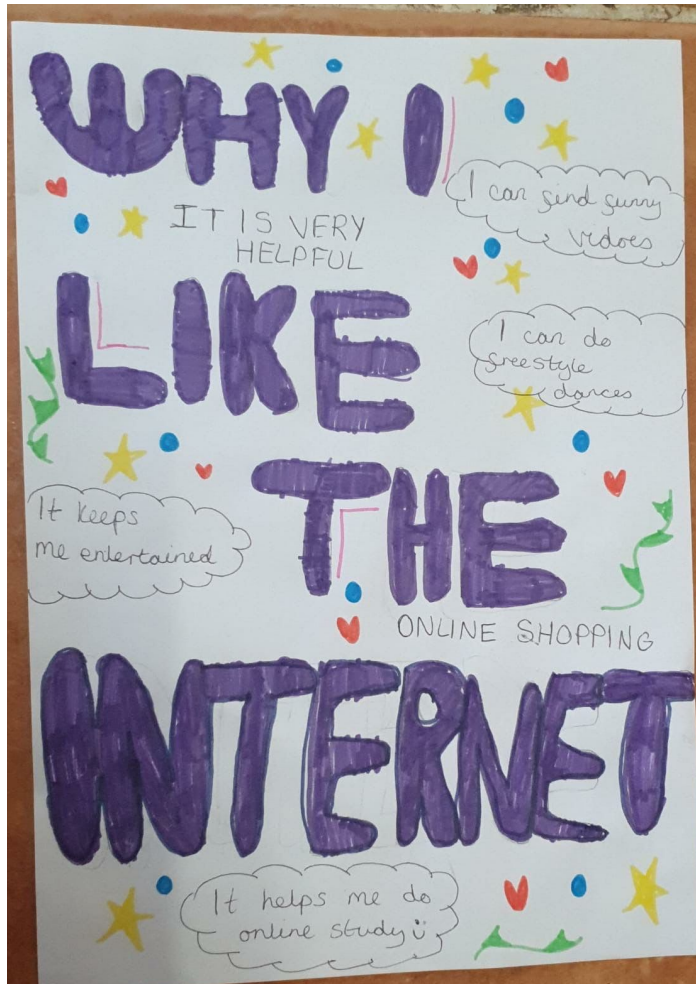

1. “It makes me sad sometime when my mum will be reminding me what to do since I know.”

2. “Sometime I wake immediately to ask my mum if my school has send work to do again.”

3. “Now my school work online is not strange to me again because have been doing it now more than three months.”

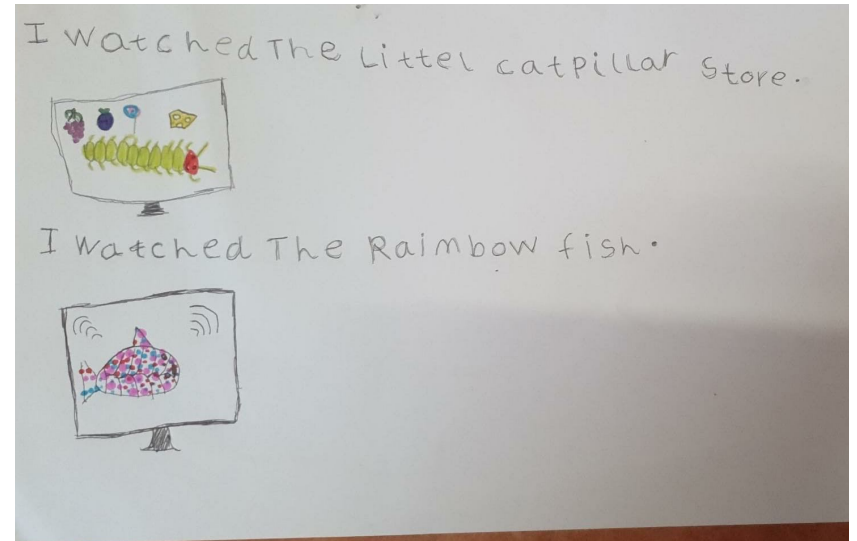

4. “More to the screen, to my mum phone, less of paper work.” - Jason, 7 years old

Why do you like the internet?' Sophie, 10 years old

"I can do freestyle dances" - Sophie, 10 years old

"I watched the rainbow fish" Joe, 6 years old
