

HEAR Trustee Advert

Are you passionate about making a difference within human rights and equality? If the answer is yes, become a trustee for HEAR Human Rights and Equality Network. We need YOU!

HEAR was set up as a Charitable Incorporated Organisation (CIO no. 1168591) to support London's voluntary and community sector network, working with the most vulnerable, in equality and human rights.

We support member organisations through connections, sharing information, expertise, knowledge, events, research, networking, campaigns, and more recently, the exploration of technology for mapping and information as well as digital inclusion.

We are looking for trustees to join the Board to help lead the organisation during this pivotal and exciting time.

We would like to hear from people who understand the needs of organisations, and individuals, working in the field of equality and human rights.

You will have good interpersonal and communication skills. An understanding of the practical, operational, strategic, social, and political context in which human rights and inequality occurs. An understanding of charity operations, governance, and role as a trustee. Training will also be provided.

You should be able to commit to at least six board meetings a year and one full day meeting. If you are interested or would like to discuss further, please email: director@hearequality.org.uk with a CV and supporting statement of what skills, knowledge, experience, and attributes you can bring to the Board and Charity.

We look forward to hearing from you!
